Yes, just Leslie. Carrie is involved now for another purpose, but let's let Leslie decide whether Carrie needs to also be looped in to the NEPA stuff. Thanks!

Sure – I believe Leslie is the main person – Lucita, is there someone else?

Thanks again, Erin, and my apologies now to Lucita for the earlier delay getting back to you. Ok if I loop in Leslie Darman or whoever else in WLO may be keeping some kind of eye on this? (Typically, I'd need to coordinate on my end with a/the media program staffer.) Thanks.

Follow up on the email below and Everett's conversation with Tom this morning, here is the draft memo to file on NEPA FE for the Dewey Burdock aquifer exemption and UIC permits. Please let me know if you have any questions.

Thanks much for your review!
